LOCATION:

Commonwealth Golf Club

Located in the world renowned golfing region of the Melbourne Sandbelt, Commonwealth Golf Club is a spectacular 18-hole Championship golf course. With a heritage dating back to 1920 and recent renovations to the course make this a magnificent golfing venue.

Kingston Heath Golf Club

Kingston Heath Golf Club is universally regarded as one of the best manicured courses in Australia and arguably the world. Its strategic bunkering and clever use of dips and hollows fools the non observant golfer and any deviation from the fairway is generally met with a challenging recovery. The course was built on a compact parcel of land resulting in some of the best short par 4's and world class par 3 holes.

Sandhurst North Course

Sandhurst is the official home of the PGA of Australia. North Course is a par 72 course. With an emphasis on strategic shot making, the open styled North Course borrows from the traditions of Scotland with several distinct features including the Wall surrounding the 3rd green and the Burn which dissects the 9th fairway.
